Dear Sir

I have received the small little gold coin of Costa Rica and sent You for this price 18.25 cts by money post.

If the sale of the american coins by You will be a success or not is impossible for me to tell, the prices You have marked for them will be got only by a few coins, the most of them get lower and very much only for silver value.

I collect still all americans except U. S and Canada.

The Hairy piece No 54 is sent
as a registered letter to Mr Salles
and he has received it.
The Hicks priced catalogue is
not just arrived.

Dear Sir

Many thanks for your kind letter and the advance sheets of your next catalogue. The coins of Mr Hamburg are in my hands. I hope to shop the box in one of the next weeks. I had very much trouble with my hands in my Drug store, so that I don't know who to get ready. Please try to get

No 1109. Guadalaxara 6 ℔
No 1110 " 6 ℔
No 1111 " 6 ℔

Forcada is the Engraver, and the crowned G is GA is taken for Guatemala ? if this is right or wrong I dont know. I think it is GA Guadalaxara. If Forcada was living in Guatemala or Guadalaxara gives the real fact.

Yours
